Mumbai, 21st November, 2011: SKODA Auto India, a fully owned subsidiary of SKODA Auto a.s., Czech Republic announced the launch the new SKODA Yeti 4x2, after the success of the earlier launched Yeti 4x4. The range of Yeti is extended with a two-wheel-drive diesel option priced at Rs 13.20 lakhs ex showroom Maharashtra and is expected to further drive the car's success into new customer groups.

The new SKODA Yeti will also come in 2 variants which are Active and Ambition. Top propositions such as ESP, Hill Hold Control and Vario Flex will also be offered with the new 4x2 model, with further improvement in the car's segment-leading fuel efficiency.

The SKODA Yeti over the last year has been well received by experts (securing eight automotive awards) and customers alike. Similarly with the Yeti 4x2, SKODA delivers class-leading performance, safety, versatility and SUV technologies in the most manageable dimensions. Elegant, generously spacious, uncompromisingly safe, powerful and well engineered, SKODA Yeti 4x2 will hold the benchmark position in its class.
