# The new **Kushaq**

Some things are easy to love from the start. Others make you work for it. Cars often fall into the second category, where the best features are saved for later, or higher up. The new Škoda Kushaq does the opposite. With thoughtful design, solid build, and the essentials you actually want, built in from the beginning, every drive feels complete, considered, and reassuring. Making the new Škoda Kushaq - Easy to love.

Easy to *flaunt*

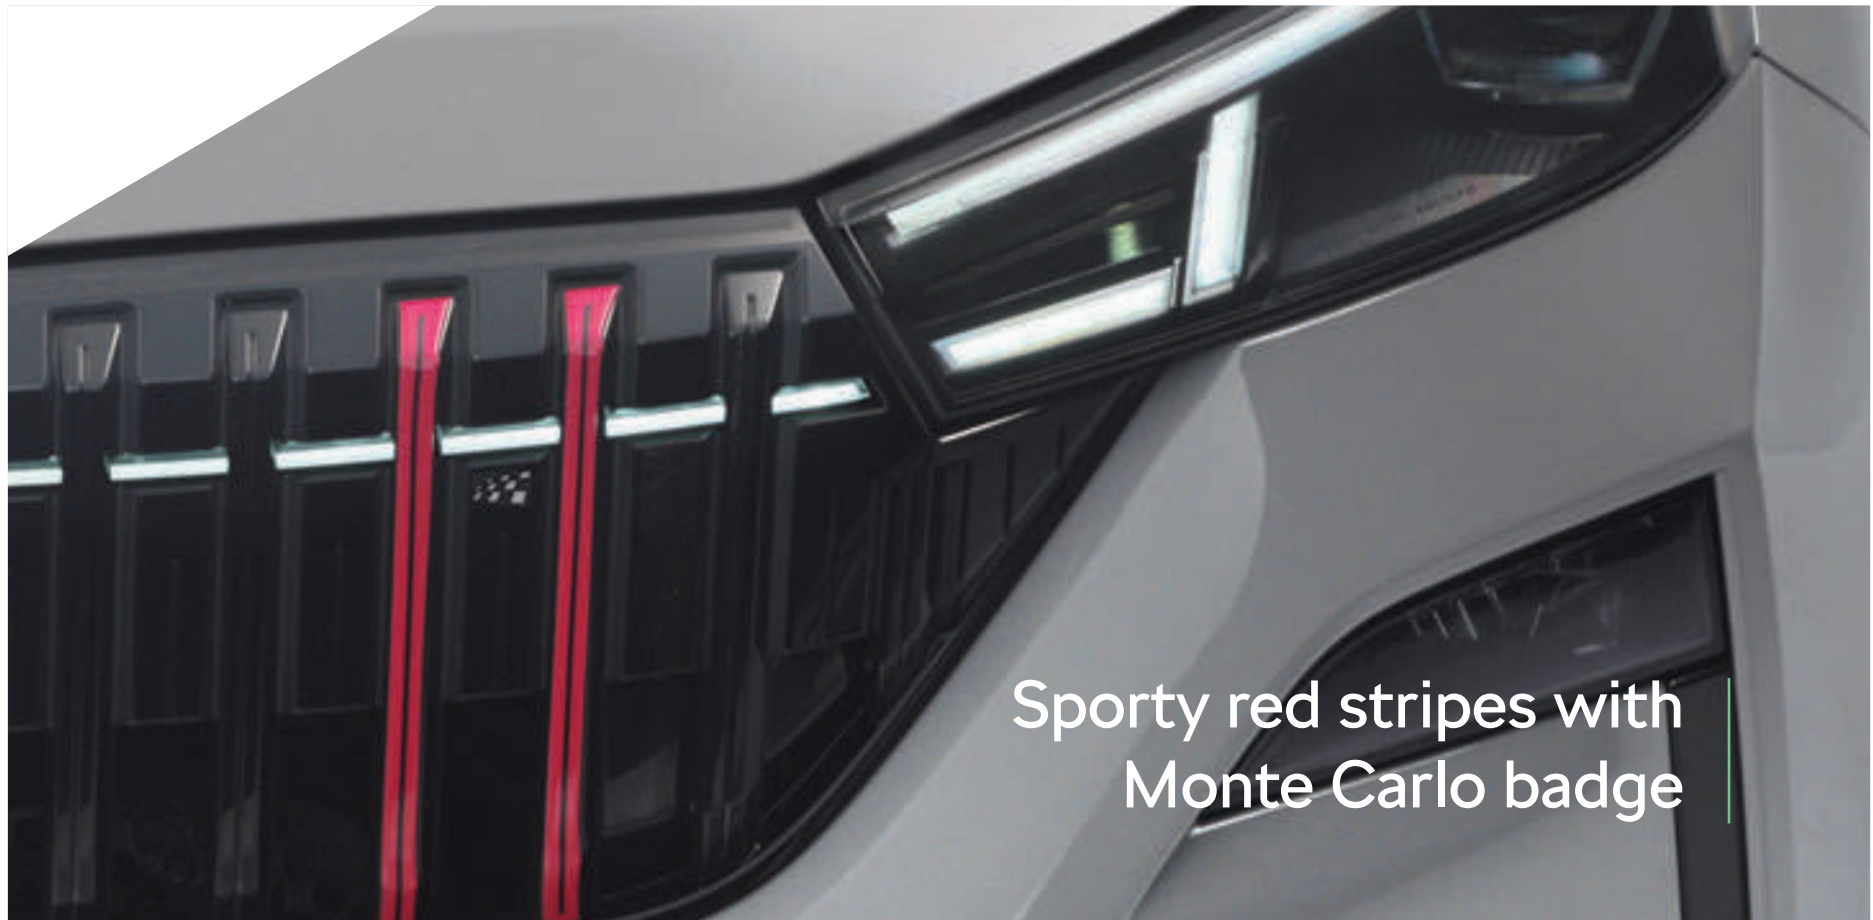

Front grille illuminated light band  
with LED headlights

LED taillights, illuminated 'Škoda' lettering  
and sequential turn indicators

**Lower Circle** represents the body colour

Easy to *drive*

A close-up photograph of a car's center console. The gear shifter is the central focus, featuring a black leather boot and a silver-colored top with 'P', 'R', 'N', 'D/S', and a downward arrow. Above the shifter is a climate control panel with a digital display showing '22.0°', 'A/C', and 'AUTO' settings. The panel includes various icons for fan speed, air distribution, and a red hazard light button. The surrounding interior is finished in a dark red or maroon color.

First-in-segment

8-speed torque converter automatic transmission paired with 1.0 TSI engine

7-speed DSG paired with 1.5 TSI engine

6-speed manual transmission paired with 1.0 TSI engine

Easy on the  
*experience*

A woman with dark hair, wearing a mustard-colored long-sleeved top and dark blue pants, is seated in the rear passenger seat of a car. She is wearing a seatbelt and has her eyes closed, appearing relaxed. Her hands are clasped in her lap. The car's interior is light-colored with a black seatbelt. The window shows a blurred city street scene with brick buildings. The text "First-in-segment" is overlaid on the bottom left of the image.
