Rally genes for every day

Created for those who demand the best possible drive. Everything we learned in decades of motorsport, infused into an everyday car.

Dynamic drive

With its 2.0 TSI / 195 kW engine, this is the most powerful Octavia, ever. With progressive steering, it dives into the corners lightning quick, while the sports suspension keeps it planted to the road. The sports exhaust is here for a proper soundtrack. But the looks matter, too.

Sporty style

The LED Matrix headlights, the aerodynamic front bumper and wide, black grille with unique RS badge create a face to remember. In the rear, the aerodynamic bumper with black diffuser is complemented by a black spoiler.

2.0 TSI Petrol Engine

● 195 kW Power ● 370 Nm Torque ● 7-Speed DSG Transmission ● Front Wheel Drive ● 0-100kmph in 6.4 secs ● Top Speed 250 kmph (limited)

RS Interior

This is where serious driving happens. The RS interior was designed around the driver and driving, so you can make the most of the power and driving dynamics of the Octavia RS. The three-spoke, perforated leather, multifunction RS steering wheel, the RS sports seats in Suedia, the cool sports pedals.

The Suedia dashboard pad and black headliner to complete the focused atmosphere. And, of course, the long list of equipment to make you comfortable whether you drive fast or slow.

RS Seats & Decor

Front sport seats with upholstery in a combination of Suedia and leatherette with Carbon dashboard and black leatherette dashboard with red stitching along with Piano Black door décor and black headliner ensure the sporty meets the elegant.

Technical Specifications

		Technical Description
Engine		
Engine Type		Turbocharged Petrol
Cylinders		4
Displacement	[cc]	1,984
Max. power	[kW]	195
Max. torque	[Nm at rpm]	370 / 1,600 - 4,500
Wheel drive		FWD
Type		Automatic 7-speed DSG
Front axle		MacPherson suspension with lower triangular links and torsion stabilizer
Rear axle		Multi-element axle, with one longitudinal and three transverse links, with torsion stabiliser
Brake - front		Disc
Brake - rear		Disc
Steering system		Electric Power Assisted, Progressive
Wheels		Alloy wheel R19
Tyres		225/40 R19, 125/70 R18 (spare)
Length	[mm]	4,709
Width	[mm]	1,829
Height	[mm]	1,457
Wheel base	[mm]	2,677
Ground clearance	[mm]	128
Seating capacity		5
Boot Space	[l]	600 / 1,555
Fuel Tank Capacity	[l]	50
Kerb weight	[kg]	1,528
Gross weight	[kg]	2,060
